

A LIFESTYLE FOR YOUR RETIREMENT

Located in the leafy community of St Helena, Leith Park is a thriving, tightknit retirement community.

It's a village where you can live the lifestyle you have always wanted for your retirement.

You can be as busy and active as you want, or slow down and enjoy an easier pace.

Take part in community activities, explore the gardens and other amenities that Leith Park offers. All this is offered with the bonus of a one-off entry payment and no exit fees.

Life within an Old Colonists' Association of Victoria village gives you access to potential and possibility.

“

We love it here, it's a welcoming community. We couldn't think of living anywhere else.

”

- Diane and Geoff Blair
